SCOPE AND CONTENT STATEMENT

The student records were created under the direction of both the Registrar's Office and the Office of Student Life. The files that were archived were based on year of creation, when the student applied or entered Hanover College. Series 1 included records that were created up to Fall 1986, which comprises students who were graduating in 1990. However, in a few cases students took longer than four years to graduate. These students are still included in Series 1 because the file's are archived by a creation date and not a graduation date.

PROVENANCE

The records for series one were removed from Lynn Hall and transferred for permanent storage in the archives in June 2001.

RESTRICTIONS AND PERMISSIONS

Materials from the collection may be copied based on the policies and costs determined by the archives. Permission to publish whole documents from the collection, or publication of these materials on the Internet, or any electronic environment, requires a written proposal approved by the archivist of Hanover College.

COPYRIGHT, PUBLIC DOMAIN, AND FAIR USE
